LOGOS

The Lamar University® Athletics LU logo is the primary representation of the brand and is used as the main identifying mark for LU Athletics. In addition to the primary LU logo, the Cardinal Head logo may also be used, when appropriate. Full color logos should be used whenever possible. However, single and two-color options are also available for both the primary and secondary mark. The logo can only appear as specified in these guidelines. Proper usage is imperative in safeguarding the Lamar University® Athletics brand, creating consistency, and promoting effective recognition. Only the color variations shown in this document may be used. Additionally, the LU and Cardinal Head logos must always be completely visible.

Exceptions

All white logo variations may not be used on all white, light, or complex backgrounds as none of these backgrounds will offer enough contrast for proper recognition. Two-color designs, such as Black & White and Red & White, may not be printed on an all-white background. Single color marks must never be placed on a background of the same color, such as an all red logo on a red color field. The Cardinal Head logo must always face the right.

ADDITIONALLY ACCEPTED LOGOS

LOGOS: SAFE ZONES & SUB-TEXT

SAFE ZONES

Safe zones of one fourth of the overall height of the mark have been established and must be honored. This ensures that no other graphical elements interfere with the clarity and integrity of the Lamar University® logos.

SUB-TEXT

No sub-text is the preferred representation of the LU mark for Lamar University® Athletics. However, if distinction for the sport or department must be made, the LU monogram may be used with the specific sport or department beneath the LU logo. This usage applies to LU Athletics only.

LOGOS: CORRECT & INCORRECT

RETAIL APPLICATIONS

Full Color Applications

In a retail design, if the fabric color matches one of the LU Athletics official colors exactly (Lamar Red, Lamar Gold, Lamar Green, White or Black) the fabric can show through in place of printing that color. If the fabric color does not match any official color, then all four official colors must be used to print the mark.

Retail Items

- Items produced for resale (e.g. intended to be sold to the public) which bear any Lamar University® Athletics trademark, must be produced by an approved vendor holding a standard license.
- All items produced for retail must strictly adhere to the identity guidelines set forth in this standards manual, including restrictions on allowable color combinations.
- Lamar University® Athletics' trademarks include, "The Cardinal Head", "Lamar University Athletics", "Lamar University Cardinals", "LU", and "LU Cardinals." A ® should appear next to "University" when it is spelled out and part of a design.
- Lamar University® Athletics shall have the right to disallow the production of any promotional item deemed inappropriate.

One Color Applications

When using one color marks on apparel, the art may print in all Lamar Red, Lamar Gold, Lamar Green, White or Black as long as there is sufficient contrast with the fabric color. IF the fabric color does not match one of the official colors then the art should be used in all white on a DARK background or in all black on a LIGHT background, unless prior permission is obtained.
